The Toronto-Dominion Bank ("**Issuer**")

*Neither the Issuer nor the Guarantor is a bank or an authorised deposit-taking institution authorised to carry on banking business under the Banking Act 1959 of Australia ("**Australian Banking Act**"). The Australian Covered Bonds are neither "protected accounts" nor "deposit liabilities" within the meaning of the Australian Banking Act. The Australian Covered Bonds are not the obligations of any government and, in particular, are not guaranteed by the Commonwealth of Australia. Neither the Issuer nor the Guarantor is supervised by the Australian Prudential Regulation Authority and an investment in the Australian Covered Bonds will not be covered by the depositor protection provisions of Section 13A of the Australian Banking Act and will not be covered by the Australian Government's bank deposit guarantee (also commonly referred to as the Financial Claims Scheme).*

*The Australian Covered Bonds have not been and will not be registered under the United States Securities Act of 1933, as amended (the "**Securities Act**"), and may not be offered or sold within the United States or to or for the account or benefit of U.S. persons except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act.*

1.5 Headings

Headings (including those in brackets at the beginning of paragraphs) are for convenience only and do not affect the interpretation of this deed.

1.6 Relationship with the Trust Deed

This deed supplements, and forms part of, the Trust Deed. Unless expressly provided otherwise in this deed, in the event of any inconsistency between the provisions of this deed and the provisions of the Trust Deed, or where compliance with a provision of this deed would prevent compliance with a provision of the Trust Deed, the provisions of this deed will prevail.

2 The Australian Covered Bonds

2.1 Creation of Australian Covered Bonds

- (a) The obligations of the Issuer under the Australian Covered Bonds are constituted by, and are owing under, this deed.
- (b) Each Australian Covered Bond will be issued in uncertificated registered form and evidenced by entry in the Australian Register.

2.2 Undertakings

The Issuer irrevocably undertakes to, and for the benefit of, the Bond Trustee and each Holder to:

- (a) pay principal, interest and any other amounts payable in respect of each Australian Covered Bond held by the Holder in accordance with the Terms and Conditions of such Australian Covered Bond and the Trust Deed; and
- (b) comply with, and perform its obligations under:
 - (i) all other Terms and Conditions and the Programme Terms of each Australian Covered Bond; and
 - (ii) the Trust Deed.

2.3 Compliance with laws

The Issuer may only issue Australian Covered Bonds if:

- (a) where the offer or invitation is made in, or into, Australia:
 - (i) the aggregate consideration payable to the Issuer by the relevant subscriber is at least A\$500,000 (or its equivalent in an alternative currency and, in either case, disregarding moneys lent by the Issuer or its associates to the subscriber) or the offer or invitation (including any resulting issue) does not otherwise require disclosure to investors under Parts 6D.2 or 7.9 of the Corporations Act;
 - (ii) the offer or invitation (including any resulting issue) does not constitute an offer to a “retail client” as defined for the purposes of section 761G of the Corporations Act; and
 - (iii) the offer or invitation (including any resulting issue) complies with Banking exemption No. 1 of 2018 dated 21 March 2018 promulgated by the Australian Prudential Regulation Authority as if it applied to the Issuer *mutatis mutandis*; and

2.4 Appointment of Australian Agent

The Issuer agrees to appoint the Australian Agent pursuant to the terms of the Supplemental Agency Agreement and to ensure that the Australian Agent establishes and maintains an Australian Register in New South Wales or Victoria (or any other place in Australia the Issuer and the Australian Agent may agree but not in South Australia).

2.5 Confirmation by Issuer - Australian Covered Bonds

The Issuer acknowledges, agrees and confirms, for the benefit of each Holder and the Bond Trustee, that Australian Covered Bonds are “**Covered Bonds**” for the purposes of the Trust Deed.

3 Rights and obligations of Holders

3.1 Proceedings

- (a) The Bond Trustee may take action to enforce the provisions of this deed in the manner and circumstances provided for the enforcement in the Trust Deed. However, the Bond Trustee shall not be bound to take any such enforcement steps, actions or proceedings except as specified in the Trust Deed.
- (b) Subject to the provisions of the Trust Deed, only the Bond Trustee may enforce the provisions of this deed. No Holder shall be entitled to proceed directly against the Issuer or the Guarantor to enforce the performance of any of the provisions of this deed or any other Transaction Documents unless the Bond Trustee having become bound as aforesaid to so proceed fails to do so within the time period specified in the Trust Deed and such failure is continuing, in which case each of such Holders shall be entitled to take any such steps and proceedings as it shall deem necessary other than the presentation of a petition for the

winding up of, or for an administration order or liquidation in respect of, the Issuer, the Guarantor or any of the Partners.

3.2 Benefit and entitlement

This deed is executed as a deed poll. Each Holder and the Bond Trustee has the benefit of, and, subject to clause 3.1 (“Proceedings”), the other provisions of this deed, and the Trust Deed, is entitled to enforce this deed even though it is not a party to this deed, or is not in existence at the time this deed is executed and delivered.

3.3 Rights independent

Each Holder may enforce its rights under this deed independently from each other Holder and any other person.

3.4 Holders bound

The Australian Covered Bonds are issued subject to, and on the condition that, the Bond Trustee and each Holder (and any person claiming through or under a Holder or the Bond Trustee) is taken to have notice of, and be bound by, this deed, the Trust Deed, the Programme Terms and the Terms and Conditions and any other arrangements concerning the Australian Covered Bonds as are applicable to the Holders or the Bond Trustee (as appropriate) as specified in the relevant Pricing Supplement.

3.5 Directions to hold deed poll

Each Holder is taken to have irrevocably:

- (a) instructed the Issuer that the original of this deed (or if otherwise determined by the Issuer, a certified copy) is to be delivered to and held by the Australian Agent; and
- (b) appointed and authorised the Australian Agent to hold the original of this deed (or if otherwise determined by the Issuer, a certified copy) in Australia (or any other place the Issuer and the Australian Agent may agree) on behalf of the Holders.

3.6 Copies of documents to Holders

If a Holder requires a copy of this deed in connection with any proceeding brought by that Holder before a court, authority, commission or arbitrator in relation to its rights in connection with an Australian Covered Bond, it may request a copy from the Issuer or the Australian Agent. If the Issuer or the Australian Agent receives a request, it must give the Holder a copy of this deed (or ensure that the Holder is given a copy of this deed) within 14 days after receiving the request.

3.7 Holders’ acknowledgements to Austraclear and Australian Agent

Where Austraclear is recorded in the Australian Register as the Holder, each person in whose Security Record (as defined in the Austraclear Regulations) an Australian Covered Bond is recorded is deemed to acknowledge in favour of the Australian Agent and Austraclear that:

- (a) the Australian Agent’s decision to act as the registrar of the Australian Covered Bonds does not constitute a recommendation or endorsement by the Australian Agent or Austraclear in relation to the Australian Covered Bonds, but only indicates that the Australian Covered Bonds

are considered by the Australian Agent to be compatible with the performance by it of its obligations as registrar under the Supplemental Agency Agreement; and

- (b) such person does not rely on any fact, matter or circumstance contrary to clause 3.7(a).

3.8 Meetings Provisions

The provisions relating to meetings of Holders are set out in the Trust Deed and shall apply to all holders of Australian Covered Bonds.

4 Substitution and addition of Issuer

If a Subsidiary is substituted in place of the Issuer as the principal debtor under the Covered Bonds, Receipts, Coupons and the Trust Deed in accordance with the provisions referred to in Clause 21.3 ("Substitution") of the Trust Deed:

- (a) such Subsidiary shall be deemed to have been substituted for the Issuer as Issuer under this deed; and
- (b) the Issuer shall be released from its obligations as Issuer under this deed and the Australian Covered Bonds.

5 Governing law

5.1 Governing law

This deed is governed by the law in force in New South Wales, Australia.

5.2 Jurisdiction

The Issuer submits, and each Holder is taken to have submitted, to the non-exclusive jurisdiction of the courts of New South Wales, Australia and courts of appeal from them.

5.3 Serving documents

Without preventing any other method of service, any document in any court action in connection with this deed may be served on the Issuer by being delivered or left for the Issuer with its process agent referred to in clause 5.4 ("Process Agent").

5.4 Process Agent

The Issuer appoints Dabserv Corporate Services Pty Ltd (ABN 73 001 824 111) of Level 61, Governor Phillip Tower, 1 Farrer Place, Sydney NSW 2000, Australia to receive any document referred to in clause 5.3 ("Serving documents"). If for any reason that person ceases to be able to act as such, the Issuer will immediately appoint another person with an office located within the Commonwealth of Australia to receive any such document and promptly notify the Holders of such appointment. The Issuer agrees that service of documents on any person appointed under this clause 5.4 will be sufficient service upon it.

5.5 Prohibition and enforceability

- (a) Any provision of, or the application of any provision of, this deed, or any right, power, authority, discretion or remedy conferred on any person by

this deed which is prohibited in any jurisdiction is, in that jurisdiction, ineffective only to the extent of that prohibition.

- (b) Any provision of, or the application of any provision of, this deed which is void, illegal or unenforceable in any jurisdiction does not affect the validity, legality or enforceability of that provision in any other jurisdiction or of the remaining provisions in that or any other jurisdiction.

5.6 Variation

Subject to the terms of Clause 21 of the Trust Deed, and except as otherwise expressly provided in this deed, the provisions in this deed may be amended or modified only by written agreement of all of the parties hereto, and if any such amendment or modification or any waiver given in accordance with Clause 21 of the Trust Deed is determined to be material in the opinion of the Guarantor, satisfaction of the Rating Agency Condition shall be required in respect thereof. Pursuant to Clause 21 of the Trust Deed, as it relates to this deed, the Guarantor (or the Cash Manager on its behalf) shall deliver notice to the Rating Agencies of any amendment or modification or waiver which does not require satisfaction of the Rating Agency Condition. This deed (and the benefits and obligations contained in it) may not be assigned by any party without the prior written consent of each of the other parties hereto and the Rating Agency Condition having been satisfied in respect of such assignment.

Schedule - Terms and Conditions

The following are the Terms and Conditions which, as supplemented, modified or replaced by the applicable Pricing Supplement, apply in respect of Australian Covered Bonds.

TERMS AND CONDITIONS OF THE AUSTRALIAN COVERED BONDS

*The following are the terms and conditions of the Australian Covered Bonds (the “**Terms and Conditions**” or the “**Conditions**”), which as supplemented, modified or replaced in relation to any Australian Covered Bonds by the applicable Pricing Supplement in relation to any Tranche of Australian Covered Bonds, will be applicable to each Series of Australian Covered Bonds issued under the Australian Deed Poll. For the avoidance of doubt, these Terms and Conditions of the Australian Covered Bonds do not apply to any other Covered Bonds. All capitalized terms that are not defined in these Terms and Conditions will have the meanings given to them in the applicable Pricing Supplement.*

These Terms and Conditions apply to those Covered Bonds, known as “**Australian Covered Bonds**”, which are issued in registered uncertificated (or inscribed) form by The Toronto-Dominion Bank (the “**Issuer**” or the “**Bank**”) as part of the Issuer’s CAD80,000,000,000 Global Legislative Covered Bond programme (the “**Programme**”) and are constituted by a deed poll made by the Issuer on 14 March 2023 (such deed poll as further modified, restated, supplemented or replaced from time to time, the “**Australian Deed Poll**”). The Australian Covered Bonds are also issued with the benefit of, and subject to, the “**Programme Terms**” set out in the Australian Information Memorandum (as defined below).

The Australian Covered Bonds take the form of entries in a register (the “**Australian Register**”) established and maintained by Computershare Investor Services Pty Limited (ABN 48 078 279 277) (or such other registrar as is specified in the applicable Pricing Supplement or otherwise appointed in accordance with the Terms and Conditions or the Agency Agreement (as defined below)) (“**Australian Agent**”) in Sydney, New South Wales, Australia or such other place in Australia as is agreed between the Issuer and the Australian Agent.

The Holders of Australian Covered Bonds (as defined below) have the benefit of and are subject to:

- (i) a Trust Deed (such trust deed as amended, restated, and supplemented as described below and as may be further amended, restated, supplemented or replaced, the “**Trust Deed**”) initially dated as of 25 June 2014 (the “**Programme Date**”) between the Issuer, TD Covered Bond (Legislative) Guarantor Limited Partnership, as guarantor (the “**Guarantor**”) and Computershare Trust Company of Canada, as bond trustee (in such capacity, the “**Bond Trustee**” which expression shall include any successor as bond trustee) and most recently amended and restated as of 30 June 2022 and as further amended as of 26 August 2022 and, as supplemented in relation to the Australian Covered Bonds by an amended and restated supplemental trust deed made on 2 April 2020 and as further amended as of 26 July 2022 and 14 March 2023 (such amended and restated supplemental trust deed, as may be further amended, restated, supplemented or replaced from time to time, the “**Supplemental Trust Deed**”) between the Issuer, the Guarantor and the Bond Trustee. For the avoidance of doubt, references to the Trust Deed in these Terms and Conditions include the Supplemental Trust Deed; and
- (ii) an agency agreement initially dated as of the Programme Date (such agency agreement as supplemented as described below and as may be further amended, restated, supplemented or replaced, the “**Agency Agreement**”) and made between the Issuer, the Guarantor, the Bond Trustee, Citibank, N.A., Citibank, N.A., acting through its London Branch, Citigroup Global Markets Europe AG and other agents named therein and as supplemented in relation to the Australian Covered Bonds by a supplemental agency agreement dated 17 October 2014 and as amended as of 7 April 2015, 2 April 2020, 26 July 2022 and 14 March 2023 in respect of the Australian Covered Bonds (the “**Supplemental Agency Agreement**”) made between the Issuer and the Australian Agent pursuant to which the Australian Agent has been appointed to act as registrar and issuing and paying agent in relation to the Australian Covered Bonds. For the avoidance of doubt, references to the Agency Agreement in these Terms and Conditions include the Supplemental Agency Agreement.

The Pricing Supplement may specify any other agency agreement that applies to Australian Covered Bonds issued by the Issuer.

References in these Terms and Conditions to the Pricing Supplement are to Part A of the Pricing Supplement prepared in relation to the Australian Covered Bonds of the relevant Tranche or Series.

In respect of any Australian Covered Bonds, references herein to these “**Terms and Conditions**” are to these terms and conditions as supplemented or modified or (to the extent thereof) replaced by Part A of the applicable Pricing Supplement and any reference herein to a “**Condition**” is a reference to the relevant Condition of the Terms and Conditions of the relevant Australian Covered Bonds.

The Australian Covered Bonds are issued in series (each, a “**Series**”), and each Series may comprise one or more tranches (“**Tranches**” and each, a “**Tranche**”) of Australian Covered Bonds. Each Tranche will be the subject of a Pricing Supplement (each, “**Pricing Supplement**”).

The Bond Trustee acts for the benefit of the holders for the time being of the Australian Covered Bonds (the “**Holders**” or “**Holders of Australian Covered Bonds**”, which expression shall mean the persons whose names are for the time being entered into the Australian Register as the holders of Australian Covered Bonds (notwithstanding that such person may be the operator of a clearing system who holds the Australian Covered Bonds on behalf of the accountholders in that system)) and for holders of each other Series of Covered Bonds in accordance with the provisions of the Trust Deed.

The Guarantor has, in the Trust Deed, irrevocably and unconditionally guaranteed the due and punctual payment of the Guaranteed Amounts in respect of the Covered Bonds (including, without limitation, the Australian Covered Bonds) as and when the same shall become due for payment on certain dates and in accordance with the Trust Deed (“**Due for Payment**”), but only after the occurrence of a Covered Bond Guarantee Activation Event.

The security for the obligations of the Guarantor under the Covered Bond Guarantee and the other Transaction Documents to which it is a party has been created in and pursuant to, and on the terms set out in, a security agreement (such security agreement as amended, restated, supplemented or replaced the “**Security Agreement**”) dated the Programme Date and made between the Guarantor, the Bond Trustee and certain other Secured Creditors.

These Terms and Conditions include summaries of and are subject to, certain provisions of the Trust Deed, the Australian Deed Poll, the Security Agreement, the Agency Agreement and the other Transaction Documents.

Copies of the Trust Deed, the Australian Deed Poll, the Security Agreement, the Master Definitions and Construction Agreement (as defined below), the Agency Agreement, the Australian Information Memorandum (as defined below), the Programme Prospectus (as defined below) and each of the other Transaction Documents (other than the Dealership Agreement and any subscription agreements) are available for inspection during normal business hours at the registered office for the time being of the Australian Agent. Copies of the applicable Pricing Supplement of all Australian Covered Bonds of each Series (including in relation to unlisted Australian Covered Bonds of any Series) are obtainable during normal business hours at the specified office of the Australian Agent, by any Holder of Australian Covered Bonds or person in whose security record the Australian Covered Bonds are credited within the Austraclear System (a “**Relevant Account Holder**”) subject to producing evidence satisfactory to the Issuer and the Bond Trustee or, as the case may be, the Australian Agent as to its holding of Australian Covered Bonds and identity. The Holders of Australian Covered Bonds are deemed to have notice of, or are bound by, and are entitled to the benefit of, all the provisions of, and definitions contained in, the Trust Deed, the Australian Deed Poll, the Security Agreement, the Master Definitions and Construction Agreement, the Agency Agreement, each of the other Transaction Documents (other than the Dealership Agreement and any subscription agreements), the applicable Pricing Supplement and the Australian Information Memorandum (as defined below) which are applicable to them and to have notice of each set of Pricing Supplement relating to each other Series.

Except where the context otherwise requires, capitalized terms used or otherwise defined in these Terms and Conditions shall bear the meanings given to them in the Trust Deed, the applicable Pricing Supplement and/or the master definitions and construction agreement made between the parties to the Transaction Documents initially dated as of the Programme Date and most recently amended and restated as of 5 July 2019 and as amended on 30 June 2020, on 30 June 2021 and on 30 June 2022 (such master definitions and construction agreement as may be further amended, restated, supplemented or replaced, the “**Master Definitions and Construction Agreement**”), a copy of each of which may be obtained as described above. In the event of inconsistency between the Trust Deed and the Master Definitions and Construction Agreement, the Trust Deed will prevail, in the event of inconsistency between the Trust Deed and the applicable Pricing Supplement, the applicable Pricing Supplement will prevail.

In these Terms and Conditions:

Austraclear means Austraclear Ltd (ABN 94 002 060 773);

Austraclear Regulations means the regulations known as the “Austraclear Regulations”, together with any instructions or directions (as amended or replaced from time to time), established by Austraclear to govern the use of the Austraclear System and binding on the participants in that system; and

Austraclear System means the clearing and settlement system operated by Austraclear in Australia for holding securities and electronic recording and settling of transactions in those securities between participants of that system.

*Text included in these Terms and Conditions in italics is included for information purposes only and does not form part of these Terms and Conditions. Further information in relation to the Australian Covered Bonds and the Programme may be found in the Information Memorandum dated 14 March 2023 (the “**Australian Information Memorandum**”) and the Programme Prospectus dated 30 June 2022, as supplemented by the first combined supplementary prospectus dated 26 August 2022, the second combined supplementary prospectus dated 5 December 2022 and the third combined supplementary prospectus dated 3 March 2023 (as amended, restated, supplemented or replaced from time to time, the “**Programme Prospectus**”), which is annexed to and deemed to be incorporated in, and form part of, the Australian Information Memorandum.*

1. Form and Denomination

1.01 The Australian Covered Bonds are issued in registered form by entry in the Australian Register and will not be serially numbered, unless otherwise agreed between the Issuer and the Australian Agent. No certificate or other evidence of title will be issued by or on behalf of the Issuer to evidence title to an Australian Covered Bond unless the Issuer determines that certificates should be made available or it is required to do so pursuant to any applicable law or regulation.

1.02 The Australian Covered Bonds are issued in the Specified Denominations specified in the Pricing Supplement.

1.03 The Australian Covered Bonds are denominated in Australian dollars.

1.04 The Australian Covered Bonds may be Fixed Rate Australian Covered Bonds or Floating Rate Australian Covered Bonds, depending upon the Interest Basis shown in the Pricing Supplement.

2. Title and Transfer

2.01 Title to Australian Covered Bonds passes upon entry of the transfer in the Australian Register. The Issuer shall procure that the Australian Agent keep a register or registers in which shall be entered the names and addresses of the Holders of Australian Covered Bonds and particulars of the Australian Covered Bonds held by them, together with such other details as are required to be shown on the Australian Register by or for the effective operation of, these Terms and Conditions, by the Supplemental Agency Agreement, by law or which the Issuer and Australian Agent determine should be shown in the Australian Register.

2.02 The Australian Covered Bonds are debt obligations of the Issuer owing under the Australian Deed Poll and take the form of entries in the Australian Register. The Holders of Australian Covered Bonds also have the benefit of, and are subject to, certain provisions set forth in the Trust Deed. Each entry in the Australian Register constitutes a separate and individual acknowledgment to the Bond Trustee on behalf of, and to, the relevant Holder of Australian Covered Bonds of the indebtedness of the Issuer to the relevant Holder of Australian Covered Bonds.

2.03 The obligations of the Issuer to the Bond Trustee and each Holder of Australian Covered Bonds constitute separate and independent obligations which the Bond Trustee (or a Holder of Australian Covered Bonds in certain circumstances set out in the Trust Deed), is entitled to enforce in accordance with (and subject to) these Terms and Conditions, the Trust Deed and the Australian Deed Poll, without having to join any other Holder or any predecessor to title of a Holder.

2.04 Entries in the Australian Register in relation to an Australian Covered Bond constitute conclusive evidence that the person so entered is the registered owner of the Australian Covered Bond subject to rectification for fraud and error. No Australian Covered Bond will be registered in the name of more than four persons or in the name of an unincorporated association. An Australian Covered Bond registered in the name of more than one person is held by those persons as joint tenants. Australian Covered Bonds will be registered by name only without reference to any trusteeship. The person registered in the Australian Register as a Holder of an Australian Covered Bond will be treated by the Issuer, the Bond Trustee and the Australian Agent as absolute owner of that Australian Covered Bond and none of the Issuer, the Bond Trustee or the Australian Agent is, except as ordered by a court or as required by law, obliged to take notice of any other claim of an Australian Covered Bond.

2.05 Upon a person acquiring title to any Australian Covered Bond by virtue of becoming registered as the Holder of that Australian Covered Bond, all rights and entitlements arising by virtue of the Trust Deed, the

Australian Deed Poll, the Security Agreement, the Agency Agreement and each of the other Transaction Documents (except as otherwise required by applicable law or regulatory requirement) in respect of the Australian Covered Bond are of or for the registered owner of the Australian Covered Bond, such that no person who has previously been registered as the owner of the Australian Covered Bond has or is entitled to assert against the Issuer, the Bond Trustee or the Australian Agent or the registered owner of the Australian Covered Bond for the time being and from time to time any rights, benefits or entitlements in respect of the Australian Covered Bond.

Transfer of Australian Covered Bonds

2.06 Australian Covered Bonds may, upon the terms and subject to these Terms and Conditions, terms and conditions set forth in the Supplemental Agency Agreement and as required by law, be transferred in whole but not in part. Unless lodged in Austraclear System, the Australian Covered Bonds will be transferable by duly completed and (if applicable) stamped transfer and acceptance forms in the form specified by, and obtainable from, the Australian Agent. Each transfer and acceptance form must be accompanied by such evidence (if any) as the Australian Agent may require to prove the title of the transferor or the transferor's right to transfer the Australian Covered Bond and be signed by both the transferor and the transferee. Any such transfer will be subject to such reasonable regulations as the Issuer and the Australian Agent may from time to time prescribe (the initial such regulations being set out in the Supplemental Agency Agreement).

2.07 Australian Covered Bonds entered in the Austraclear System will be transferable only in accordance with the Austraclear Regulations.

2.08 The transferor of an Australian Covered Bond is deemed to remain the Holder of that Australian Covered Bond until the name of the transferee is entered into the Australian Register in respect of that Australian Covered Bond. Transfers will not be registered later than eight calendar days prior to the maturity of the Australian Covered Bond.

2.09 Australian Covered Bonds may only be transferred if:

- (a) in the case of Australian Covered Bonds to be transferred in, or into, Australia:
 - (i) the offer or invitation giving rise to the transfer is for an aggregate consideration payable to the transferor by the relevant transferee of at least A\$500,000 (or its equivalent in an alternative currency, and in either case, disregarding moneys lent by the transferor or its associates to the transferee) or the offer or invitation (including any resulting issue) does not otherwise require disclosure to investors under Parts 6D.2 or 7.9 of the Corporations Act;
 - (ii) the offer or invitation giving rise to the transfer does not constitute an offer or invitation to a "retail client" as defined for the purposes of section 761G of the Corporations Act; and
 - (iii) the transfer complies with Banking exemption No. 1 of 2018 dated 21 March 2018 promulgated by the Australian Prudential Regulation Authority as if it applied to the Issuer *mutatis mutandis*; and
- (b) at all times, the transfer is in compliance with all applicable laws, regulations or directives (including, without limitation, the laws of the jurisdiction in which the transfer takes place).

2.10 Transfers will be registered without charge by or on behalf of the Issuer or the Australian Agent, but upon payment by the applicant of (or the giving by the applicant of such indemnity as the Issuer or the Australian Agent may require in respect of) any tax, duty or governmental charges (if any) which may be imposed in relation to the transfer.

2.11 A person becoming so entitled to an Australian Covered Bond as a consequence of the death or bankruptcy of a Holder of that Australian Covered Bond or a vesting order or a person administering the estate of a Holder of that Australian Covered Bond may, upon producing such evidence as to that entitlement or status as the Australian Agent considers sufficient, transfer that Australian Covered Bond or, if so entitled, become registered as the Holder of that Australian Covered Bond.

2.12 A transfer to an unincorporated association is not permitted.

2.13 Where the transferor executes a transfer of less than all Australian Covered Bonds registered in its name, and the specific Australian Covered Bonds to be transferred are not identified, the Australian Agent may register the transfer in respect of such of the Australian Covered Bonds registered in the name of the transferor as the Australian Agent thinks fit, provided the aggregate principal amount of the Australian Covered Bonds registered as having been transferred equals the aggregate principal amount of the Australian Covered Bonds expressed to be transferred in the transfer.

3. Status of the Australian Covered Bonds

The Australian Covered Bonds constitute deposit liabilities of the Issuer for purposes of the Bank Act, however the Australian Covered Bonds will not be insured under the *Canada Deposit Insurance Corporation Act* (Canada), and will constitute legal, valid and binding direct, unconditional, unsubordinated and unsecured obligations of the Issuer and rank *pari passu* with all deposit liabilities of the Issuer without any preference among themselves and at least *pari passu* with all other unsubordinated and unsecured obligations of the Issuer, present and future (except as otherwise prescribed by law). Unless otherwise specified in the Pricing Supplement, the deposits to be evidenced by the Australian Covered Bonds will be taken by the main branch of the Issuer in Toronto, but without prejudice to the provisions of Condition 9.

Neither the Issuer nor the Guarantor is a bank or an authorised deposit-taking institution authorised to carry on banking business under the Banking Act 1959 of the Commonwealth of Australia (the “Australian Banking Act”). The Australian Covered Bonds are neither “protected accounts” nor “deposit liabilities” within the meaning of the Australian Banking Act. The Australian Covered Bonds are not the obligations of any government and, in particular, are not guaranteed by the Commonwealth of Australia.

4. Guarantee

Pursuant to the Trust Deed, the Australian Covered Bonds have the benefit of the Covered Bond Guarantee.

For a description of the Covered Bond Guarantee see Programme Term 1 on page 11 of the Australian Information Memorandum.

Any payment made by the Guarantor under the Covered Bond Guarantee shall (unless such obligation shall have been discharged as a result of the payment of Excess Proceeds to the Bond Trustee pursuant to the provisions referred to in the Trust Deed) discharge *pro tanto* the obligations of the Issuer in respect of such payment under the Covered Bonds, except where such payment has been declared void, voidable or otherwise recoverable in whole or in part and recovered from the Bond Trustee or the holders of the Covered Bonds.

5. Interest

Interest

5.01 Australian Covered Bonds may be interest-bearing or non interest-bearing. The Interest Basis is specified in the applicable Pricing Supplement. Words and expressions appearing in this Condition 5 and not otherwise defined herein shall have the meanings given to them in Condition 5.09.

Interest on Fixed Rate Australian Covered Bonds

5.02 Each Fixed Rate Australian Covered Bond bears interest on its Outstanding Principal Amount from and including the Interest Commencement Date at the rate(s) per annum equal to the Rate(s) of Interest. Interest will be payable in arrear on the Interest Payment Date(s) in each year up to and including the Final Maturity Date if that does not fall on an Interest Payment Date.

Unless otherwise provided in the applicable Pricing Supplement, the amount of interest payable on each Interest Payment Date in respect of the Fixed Interest Period ending on, but excluding, such date will amount to the Fixed Coupon Amount. Payments of interest on any Interest Payment Date will, if so specified in the applicable Pricing Supplement, amount to the Broken Amount(s) so specified.

As used in these Terms and Conditions, “**Fixed Interest Period**” means the period from and including an Interest Payment Date (or the Interest Commencement Date) to but excluding the next (or first) Interest Payment Date.

Interest will be calculated on the Calculation Amount of the Fixed Rate Australian Covered Bonds and will be paid to the Holders of Australian Covered Bonds. If interest is required to be calculated for a period ending other

than on an Interest Payment Date, or if no Fixed Coupon Amount is specified in the applicable Pricing Supplement, such interest shall be calculated in accordance with Condition 5.08.

Interest on Floating Rate Australian Covered Bonds

5.03 Interest Payment Dates

Each Floating Rate Australian Covered Bond bears interest on its Outstanding Principal Amount from (and including) the Interest Commencement Date and such interest will be payable in arrear on either:

- (a) the Specified Interest Payment Date(s) (each an “**Interest Payment Date**”) in each year specified in the applicable Pricing Supplement; or
- (b) if no Specified Interest Payment Date(s) is/are specified in the applicable Pricing Supplement, each date (each an “**Interest Payment Date**”) which falls the number of months or other period specified as the Specified Period in the applicable Pricing Supplement after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

Such interest will be payable in respect of each Interest Period (which expression, shall, in these Terms and Conditions, mean the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date). Interest will be calculated on the Calculation Amount of the Floating Rate Australian Covered Bonds and will be paid to the Holders of Australian Covered Bonds.

Rate of Interest

Where the Screen Rate Determination is specified in the applicable Pricing Supplement as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject as provided below and subject to the provisions of Programme Term 4.02, be determined by the Calculation Agent on the following basis:

- (i) the Calculation Agent will determine the Reference Rate (if there is only one quotation for the Reference Rate on the Relevant Screen Page) or, as the case may require, the arithmetic mean (rounded, if necessary, to the nearest ten thousandth of a percentage point, 0.00005 per cent. being rounded upwards) of the quotations for the Reference Rate in the relevant currency for a period of the duration of the relevant Interest Period on the Relevant Screen Page as of the Relevant Time on the relevant Interest Determination Date;
- (ii) if, on any Interest Determination Date, no such rate so appears on the Relevant Screen Page or, as the case may be, if fewer than two such quotations for the Reference Rate so appear or if the Relevant Screen Page is unavailable, the Issuer will request appropriate quotations of the Reference Rate be provided to the Calculation Agent and the Calculation Agent will determine the arithmetic mean (rounded as described above) of the rates at which deposits in the relevant currency are offered by the Reference Banks at approximately the Relevant Time on the Interest Determination Date to prime banks in the relevant Principal Financial Centre (as defined herein, and which, for greater certainty will be the Euro-zone in the case of EURIBOR) interbank market for a period of the duration of the relevant Interest Period and in an amount that is representative for a single transaction in the relevant market at the relevant time;
- (iii) if, on any Interest Determination Date, only two or three rates are so quoted, the Calculation Agent will determine the arithmetic mean (rounded as described above) of the rates so quoted; or
- (iv) if fewer than two rates are so quoted, the Calculation Agent will determine the arithmetic mean (rounded as described above) of the rates quoted by four major banks in the Principal Financial Centre as selected by the Issuer, at approximately the Relevant Time on the first day of the relevant Interest Period for loans in the relevant currency to leading European banks for a period for the duration of the relevant Interest Period and in an amount that is representative for a single transaction in the relevant market at the relevant time,

and the Rate of Interest applicable to such Australian Covered Bonds during each Interest Period will be the sum of the Margin specified in the Pricing Supplement and the Reference Rate or, as the case may be, the arithmetic mean (rounded as described above) of the rates so determined, provided however that if the Calculation Agent is unable to determine a Reference Rate or, as the case may be, an arithmetic mean of rates in accordance with the above provisions in relation to any Interest Period, the Rate of Interest applicable to such Australian Covered Bonds during such Interest Period will be the sum of the Margin and the rate or, as the case may be, the arithmetic mean (rounded as described above) of the rates determined in relation to such Australian Covered Bonds in respect of the last preceding Interest Period.

BBSW Rate Australian Covered Bonds

5.03A If the Pricing Supplement specifies the Rate of Interest applicable to the Australian Covered Bonds as being BBSW Rate, each Australian Covered Bond shall bear interest during each Interest Period at the relevant BBSW Rate plus or minus (as indicated in the applicable Pricing Supplement) the Margin (if any).

Each current or subsequent holder, beneficial holder or other person acquiring an interest in the Floating Rate Australian Covered Bonds shall be deemed to acknowledge, accept and agree to be bound by, and consents to, such determination of, substitution for and any adjustments made to the BBSW Rate, in each case as described in this Condition 5.03A (in all cases without the need for any Holder consent). Any determination, decision or election (including a decision to take or refrain from taking any action or as to the occurrence or non-occurrence of any event or circumstance), and any substitution for and adjustments made to, the BBSW Rate, and in each case made in accordance with this Condition 5.03A, will, in the absence of manifest or proven error, be conclusive and binding on the Issuer, the Guarantor, the Bond Trustee, the Holder and each Agent and, notwithstanding anything to the contrary in these Terms and Conditions, the Programme Terms (including Programme Term 4.02) or other documentation relating to the Australian Covered Bonds, shall become effective without the consent of any person.

If the Calculation Agent is unwilling or unable to determine a necessary rate, adjustment, quantum, formula, methodology or other variable in order to calculate the applicable Rate of Interest, such rate, adjustment, quantum, formula, methodology or other variable will be determined by the Issuer (acting in good faith and in a commercially reasonable manner) or, an alternate financial institution (acting in good faith and in a commercially reasonable manner) appointed by the Issuer (in its sole discretion) to so determine.

All rates determined pursuant to this Condition 5.03A shall be expressed as a percentage rate per annum and the resulting percentage will be rounded if necessary to the fourth decimal place (i.e., to the nearest one ten-thousandth of a percentage point) with 0.00005 being rounded upwards.

If:

- (a) a Temporary Disruption Trigger has occurred; or
- (b) a Permanent Discontinuation Trigger has occurred,

then the Benchmark Rate for an Interest Period, whilst such Temporary Disruption Trigger is continuing or after a Permanent Discontinuation Trigger has occurred, means (in the following order of application and precedence):

- (i) if a Temporary Disruption Trigger has occurred with respect to the BBSW Rate, in the following order of precedence:
 - (A) first, the Administrator Recommended Rate;
 - (B) then the Supervisor Recommended Rate; and
 - (C) lastly, the Final Fallback Rate;
- (ii) where a determination of the AONIA Rate is required for the purposes of paragraph (i) above, if a Temporary Disruption Trigger has occurred with respect to AONIA, the rate for any day for which AONIA is required will be the last provided or published level of AONIA;
- (iii) where a determination of the RBA Recommended Rate is required for the purposes of paragraph (i) or (ii) above, if a Temporary Disruption Trigger has occurred with respect

to the RBA Recommended Rate, the rate for any day for which the RBA Recommended Rate is required will be the last rate provided or published by the Administrator of the RBA Recommended Rate (or if no such rate has been so provided or published, the last provided or published level of AONIA);

- (iv) if a Permanent Discontinuation Trigger has occurred with respect to the BBSW Rate, the rate for any day for which the BBSW Rate is required on or after the Permanent Fallback Effective Date will be the first rate available in the following order of precedence:
 - (A) first, if at the time of the BBSW Rate Permanent Fallback Effective Date, no AONIA Permanent Fallback Effective Date has occurred, the AONIA Rate;
 - (B) then, if at the time of the BBSW Rate Permanent Fallback Effective Date, an AONIA Permanent Fallback Effective Date has occurred, an RBA Recommended Rate has been created but no RBA Recommended Rate Permanent Fallback Effective Date has occurred, the RBA Recommended Fallback Rate; and
 - (C) lastly, if neither paragraph (A) nor paragraph (B) above apply, the Final Fallback Rate;
- (v) where a determination of the AONIA Rate is required for the purposes of paragraph (iv)(A) above, if a Permanent Discontinuation Trigger has occurred with respect to AONIA, the rate for any day for which AONIA is required on or after the AONIA Permanent Fallback Effective Date will be the first rate available in the following order of precedence:
 - (A) first, if at the time of the AONIA Permanent Fallback Effective Date, an RBA Recommended Rate has been created but no RBA Recommended Rate Permanent Fallback Effective Date has occurred, the RBA Recommended Rate; and
 - (B) lastly, if paragraph (A) above does not apply, the Final Fallback Rate; and
- (vi) where a determination of the RBA Recommended Rate is required for the purposes of paragraph (iv) or (v) above, respectively, if a Permanent Discontinuation Trigger has occurred with respect to the RBA Recommended Rate, the rate for any day for which the RBA Recommended Rate is required on or after that Permanent Fallback Effective Date will be the Final Fallback Rate.

When calculating an amount of interest in circumstances where a Fallback Rate other than the Final Fallback Rate applies, that interest will be calculated as if references to the BBSW Rate or AONIA Rate (as applicable) were references to that Fallback Rate. When calculating interest in circumstances where the Final Fallback Rate applies, the amount of interest will be calculated on the same basis as if the Applicable Benchmark Rate in effect immediately prior to the application of that Final Fallback Rate remained in effect but with necessary adjustments to substitute all references to that Applicable Benchmark Rate with corresponding references to the Final Fallback Rate.

In such event, interest shall continue to accrue on the principal amount in respect of which payment has been improperly withheld or refused or default has been made (as well after as before any demand or judgment) at the Rate of Interest then applicable or such other rate as may be specified for this purpose in the Pricing Supplement if permitted by applicable law until the date on which the relevant payment is made or, if earlier the seventh day after the date on which, the Australian Agent having received the funds required to make such payment, notice is given to the Holders of Australian Covered Bonds in accordance with Condition 13 that the Australian Agent has received the required funds (except to the extent that there is failure in the subsequent payment thereof to the relevant Holder).

Interest Amount(s), Calculation Agent and Reference Banks

5.07 If a Calculation Agent is specified in the Pricing Supplement, the Calculation Agent, as soon as practicable after the Relevant Time (if applicable) on each Interest Determination Date (or such other time on such date as the Calculation Agent may be required to calculate any Final Redemption Amount, obtain any quote or make any determination or calculation) will determine the Rate of Interest and calculate the amount(s) of interest payable (the “**Interest Amount(s)**”) in the manner specified in Condition 5.08 below, calculate the Final Redemption Amount, obtain such quote or make such determination or calculation, as the case may be, and cause the Rate of Interest and the Interest Amounts for each Interest Period and the relevant Interest Payment Date or, as the case may be, the Final Redemption Amount to be notified to the Australian Agent, the Issuer and the Holders in accordance with Condition 13 as soon as possible after their determination or calculation but in no event later than the fourth Sydney Banking Day thereafter or, if earlier in the case of notification to the stock exchange or other relevant authority, the time required by the relevant stock exchange or listing authority. The Interest Amounts and the Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of the Interest Period. If the Australian Covered Bonds become due and payable under Condition 7, the Rate of Interest and the accrued interest payable in respect of the Australian Covered Bonds shall nevertheless continue to be calculated

in accordance with this Condition but no publication of the Rate of Interest or the Interest Amount so calculated need be made. The determination of each Rate of Interest, Interest Amount and Final Redemption Amount, the obtaining of each quote and the making of each determination or calculation by the Calculation Agent shall (in the absence of manifest error) be final and binding upon the Issuer and the Holders and neither the Calculation Agent nor any Reference Bank shall have any liability to the Holders in respect of any determination, calculation, quote or rate made or provided by it.

The Issuer will procure that there shall at all times be such Reference Banks as may be required for the purpose of determining the Rate of Interest applicable to the Australian Covered Bonds and a Calculation Agent, if one is specified in the Pricing Supplement.

If the Calculation Agent is incapable or unwilling to act as such or if the Calculation Agent fails duly to establish the Rate of Interest for any Interest Period or to calculate the Interest Amounts or any other requirements, the Bond Trustee shall determine the Rate of Interest at such rate as, in its absolute discretion (having regard as it shall think fit to the foregoing provision of this Condition, but subject always to any Minimum Rate of Interest or Maximum Rate of Interest specified in the applicable Pricing Supplement), it shall deem fair and reasonable in all circumstances or, as the case may be, the Bond Trustee shall calculate (or appoint an agent to calculate) the Interest Amount(s) in such manner as it shall deem fair and reasonable in all the circumstances and each such determination or calculation shall be deemed to have been made by the Calculation Agent. The Calculation Agent may not resign its duties without a successor having been appointed as described above.

Calculations and Adjustments

5.08 The amount of interest payable in respect of any Australian Covered Bond for any period shall be calculated by applying the Rate of Interest to the Calculation Amount, and, in each case, multiplying such sum by the Day Count Fraction, save that if the Pricing Supplement specifies a specific amount in respect of such period, the amount of interest payable in respect of such Australian Covered Bond for such Interest Period will be equal to such specified amount.

For the purposes of any calculations referred to in these Terms and Conditions (unless otherwise specified in the Pricing Supplement or these Terms and Conditions), (a) all percentages resulting from such calculations will be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with 0.000005 per cent. being rounded up to 0.00001 per cent.) and (b) all amounts denominated in any other currency used in or resulting from such calculations will be rounded to the nearest two decimal places in such currency, with 0.005 being rounded upwards.

Where the Specified Denomination of an Australian Covered Bond is a multiple of the Calculation Amount, the amount of interest payable in respect of such Australian Covered Bond shall be the aggregate of the amounts (determined in the manner provided above) for each Calculation Amount comprising the Outstanding Principal Amount of the Specified Denomination of the Australian Covered Bond without any further rounding.

Early Redemption for Taxation Reasons

6.02 If, in relation to any Series of Australian Covered Bonds (i) as a result of any amendment to, clarification of, or change including any announced proposed change in the laws or regulations, or the application or interpretation thereof of Canada or the United Kingdom or any political subdivision thereof or any authority or agency therein or thereof having power to tax or, in the case of Australian Covered Bonds issued by a branch of the Issuer outside Canada, of the country in which such branch is located or of any political subdivision thereof or any authority or agency therein or thereof having power to tax or in the interpretation or administration of any such laws or regulations which becomes effective on or after the Issue Date of such Australian Covered Bonds or any other date specified in the Pricing Supplement, (ii) any judicial decision, administrative pronouncement, published or private ruling, regulatory procedure, rule, notice, announcement, assessment or reassessment (including any notice or announcement of intent to adopt or issue such decision, pronouncement, ruling, procedure, rule, notice, announcement, assessment or reassessment) (collectively, an “administrative action”); or (iii) any amendment to, clarification of, or change in, the official position with respect to or the interpretation of any administrative action or any interpretation or pronouncement that provides for a position with respect to such administrative action that differs from the theretofore generally accepted position, in each of case (i), (ii) or (iii), by any legislative body, court, governmental authority or agency, regulatory body or taxing authority, irrespective of the manner in which such amendment, clarification, change, administrative action, interpretation or pronouncement is made known, which amendment, clarification, change or administrative action is effective or which interpretation, pronouncement or administrative action is announced on or after the date of issue of the Australian Covered Bonds, there is more than an insubstantial risk (assuming any proposed or announced

Call Option

6.03 If a Call Option is specified in the Pricing Supplement as being applicable, then the Issuer may, having given the appropriate notice to the Holders in accordance with Condition 13, which Notice shall be irrevocable, and shall specify the date fixed for redemption, redeem all or, if so specified in the applicable Pricing Supplement, some only of the Australian Covered Bonds of this Series outstanding on any Optional Redemption Date at the Optional Redemption Amount(s) specified in, or determined in the manner specified in the applicable Pricing Supplement together with accrued interest (if any) thereon on the date specified in such notice.

- the Optional Redemption Amount at which such Australian Covered Bonds are to be redeemed.

Partial Redemption

6.05 If the Australian Covered Bonds are to be redeemed in part only on any date in accordance with Condition 6.03:

- such redemption must be for an amount not less than the Minimum Redemption Amount or not more than the Maximum Redemption Amount, in each case as may be specified in the applicable Pricing Supplement; and
- in the case of a partial redemption of Australian Covered Bonds, the Australian Covered Bonds to be redeemed shall be drawn by lot in such Australian city as the Australian Agent may specify, or identified

in such other manner or in such other place as the Australian Agent may approve and deem appropriate and fair,

subject always to compliance with all applicable laws and the requirements of any stock exchange on which the relevant Australian Covered Bonds may be listed.

Put Option

6.06 If a Put Option is specified in the Pricing Supplement as being applicable, upon the Holder of any Australian Covered Bond of this Series giving the required notice to the Issuer specified in the applicable Pricing Supplement (which notice shall be irrevocable), the Issuer will, upon expiry of such notice, redeem such Australian Covered Bond subject to and in accordance with the terms specified in the applicable Pricing Supplement in whole (but not in part only) on the Optional Redemption Date and at the Optional Redemption Amount specified in, or determined in accordance with the provisions of, the applicable Pricing Supplement, together with accrued interest (if any) thereon. No option exercised may be withdrawn (except as provided in the Agency Agreement).

The Holder of an Australian Covered Bond may not exercise such Put Option (i) in respect of any Australian Covered Bond which is the subject of an exercise by the Issuer of its option to redeem such Covered Bond under either Condition 6.02 or 6.03 or (ii) following an Issuer Event of Default.

Purchase of Australian Covered Bonds

6.07 The Issuer or any of its subsidiaries may at any time, but will at no time be obligated to, purchase Australian Covered Bonds in the open market or otherwise and at any price.

Further Provisions applicable to Redemption Amount

6.08 The provisions of Condition 5.07 and the last paragraph of Condition 5.08 shall apply to any determination or calculation of the Redemption Amount required by the Pricing Supplement to be made by the Calculation Agent (as defined in Condition 5.09).

References herein to "**Redemption Amount**" shall mean, as appropriate, the Final Redemption Amount, the Optional Redemption Amount, the Early Redemption Amount or such other amount in the nature of a redemption amount as may be specified in, or determined in accordance with, the provisions of the applicable Pricing Supplement.

For a description of these circumstances see Programme Term 2.02 on page 12 of the Australian Information Memorandum.

8.01 All payments (whether in respect of principal or interest) in respect of the Australian Covered Bonds by or on behalf of the Issuer will be paid free and clear of and without withholding or deduction for or on account of

any present or future taxes, duties, assessments or governmental charges of whatever nature imposed or levied by or on behalf of Canada, any province or territory or political subdivision thereof or any authority or agency therein or thereof having power to tax or, in the case of Australian Covered Bonds issued by a branch of the Issuer located outside Canada, the country in which such branch is located or any political subdivision thereof or any authority or agency therein or thereof having power to tax, unless the withholding or deduction of such taxes, duties, assessments or governmental charges is required by law or the interpretation or administration thereof. - (a) to, or to a third party on behalf of, a Holder who is liable for such taxes, duties, assessments or governmental charges in respect of such Australian Covered Bond by reason of such person having some connection with Canada or the country in which such branch is located (for these purposes “connection” includes but is not limited to any present or former connection between such holder (or between a fiduciary, seller, beneficiary, member or shareholder of, or possessor of power over such holder if such holder is an estate, trust, partnership, limited liability company or corporation) and such jurisdiction) otherwise than the mere holding of (but not the enforcement of) such Australian Covered Bond; or

For the purposes of this Condition 8.01, the term “**Holder**” shall be deemed to refer to the beneficial holder for the time being of the Australian Covered Bonds.

8.02 For the purposes of these Terms and Conditions, the “**Relevant Date**” means, in respect of any Australian Covered Bond the date on which payment thereof first become due and payable, or, if the full amount of the moneys payable has not been received by the Australian Agent on or prior to such due date, the date on which,

Payments to Holders in respect of the Australian Covered Bonds will be made: (i) if the Australian Covered Bond is held by Austraclear and entered in the Austraclear System, by crediting on the relevant Interest Payment Date, the Maturity Date or other date on which payment is due the amount then due to the account or accounts (which must be in Australia unless otherwise agreed by the Issuer) to which payments should be made in accordance with the Austraclear Regulations or as otherwise agreed with Austraclear; and (ii) if the Australian Covered Bond is not held by Austraclear and entered in the Austraclear System, by crediting on the Interest Payment Date, the Maturity Date or other date on which payment is due, the amount then due to an account (which must be in Australia) previously notified by the Holders of Australian Covered Bond to the Issuer and the Australian Agent.

The Issuer is regarded as having made payment on an Australian Covered Bond to an account upon the giving of all necessary instructions for the transfer of the relevant funds to the account so long as: (a) the payment is actually made in accordance with such instructions; or (b) if instructions for the transfer are not given effect to in accordance with normal banking procedures because the account does not exist or is not an account to which the relevant payment may be made or because the details of the account do not match the details recorded in the Register, the Issuer cancels the transfer instruction and pays the relevant amount to an account in Australia specified by the relevant Holder (net of any applicable deduction or withholding) upon being furnished by the Holder with appropriate account details and evidence of entitlement satisfactory to the Issuer and the Australian Agent.

If (after the application of any applicable business day convention) any day for payment in respect of any Australian Covered Bond is not a Business Day in the city in which the account is located, such payment shall not be made until the next following day which is a Business Day, and no further interest shall be paid in respect of

For a description of the circumstances in which the Issuer may do so see Programme Term 6 on page 22 of the Australian Information Memorandum.
